

# USED MACHINES, WITHOUT THE RISK.

**Peace of mind** through our commitment to retail & support quality used machines which deliver reliability & performance.

**Peace of mind through **all** of the commitments below:**

#### **SALES PROCESS**

Choice of machines and expert advice to allow you to pick the exact machine you need.

#### **COMPETITIVE PRICES**

Affordable Part-Ex stock.

#### **DEMONSTRATIONS**

View our stock & test machines first-hand in our demo yard.

#### **INSPECTION**

Experts carry out full point by point documented mechanical inspection.

#### **PRE-DELIVERY SERVICE**

A pre-delivery service is carried out using genuine parts fitted by Wilson's Specialist Engineers.

#### **FINANCE**

Industry experienced finance, subject to status.

#### **SERVICE VANS**

Fleet of well-stocked service vans, with JPW employed regional Service Technicians with specialist product training.

#### **WARRANTY**

Generous warranty periods.

#### **SPARE PARTS**

UK warehouse, next day on 90% of JPW brands.

#### **FREE PHONE SUPPORT**

Easy to contact with access to the expert you need.

#### **PART-EXCHANGE**

Options available to part-ex your existing machinery, with seamless uplift & delivery.

#### **JPW COMMUNITY**

With some of the best brands, many of the professionals you know or see online also run the same kit - a great way to share best practice and support each other.
